Testimonials

My experience here was very positive. I dealt with Harry, he really knows his stuff. He's pleasant and I feel went above and beyond to help with the success of my home project. I would recommend his services! Thanks Harry.

RESOURCES

[Dramatic photos of PP concrete casting process]

Premier Precast not only supplies quality products from leading industrial manufacturers, Premier we also manufacture many products on-site.

Bulk sand, stone and cement are fed into our volumetric mixer, using our best practice formulations and quality control before casting in our steel molds.

Our ability to ramp up to meet growing demand during Covid, plus consistent quality, price and service, has helped build our great local reputation.
